

# HERALDS OF LIBERTY

**Demonstrate their wonderful plan of Real Life Insurance to the people of Chickasha and vicinity by paying a Joint Life Distribution to Brother D. F. SCRIMAGER, Superintendent of the City Water Works.**

The plan which this Society owns and operates under copyright granted by the U. S. Government is a most unique one and very much out of the ordinary. Although they have been in successful operation with this plan for the past sixteen years, yet have been doing business in Chickasha less than two years, and this is their first living claim to be paid here in the city, although numerous claims have been paid over the state.

The plan works like this: Members are classified according to their respective ages, both men and women, and the classes are divided into what are known as divisions. A division when full contains 26 members, who reside in all parts of the U. S., and at the death of any member the beneficiary named in the certificate receives \$500.00 for each and every certificate held, and a like amount of living certificates are canceled and paid, and the one being paid is always the one who has been a member the longest in the division in which the death occurred. In other words, they pay 50 percent of their losses to the beneficiary and 50 percent to the oldest living member of the class and division. Thus they have twice as many people who have been paid as any other organization in existence and all with the same amount of money, as it costs no more to pay \$500.00 to a beneficiary and \$500.00 to the oldest living member than other forms of insurance.

**The following letter from the HERALDS OF LIBERTY to Mr. M. E. Bunnell, District Organizer and letter from Mr. D. F. Scrimager to the Society fully explain how, when and why Mr. Scrimager received his \$500:**

Dear Sir and Bro.:

On account of the death of Mrs. Evelyn A. Vinsant, 206 Cedar St., Jacksonville, Florida, who held certificate No. 35296, class 31, Division "V," (also four other certificates) a JOINT LIFE DISTRIBUTION is paid to D. F. Scrimager, 600 Chickasha Ave., Chickasha, Oklahoma, on certificate No. 35065, Class 31, Division "V," issued October 8th, 1915, \$500.00.

Brother Scrimager has been a member ten months and paid in \$18.84 as premium, and should be willing to recommend the KING OF FRATERNAL ORDERS which gave him protection during the life of his certificate and now pays him this money to enjoy during his life time. Four other members also received Joint Life Distributions on account of this same death as decedent carried five certificates with us.

Thanking you for co-operation and with best wishes to you and Brother Scrimager, we are,

Yours Fraternally,

## TESTIMONIAL.

Below is testimonial letter from Mr. Scrimager.

Chickasha, Okla., Sept. 7, 1916.

Heralds of Liberty,  
Philadelphia, Pa.

Dear Sirs:

This is to acknowledge receipt of \$500.00 which I received last night at the hands of your representative, Mr. M. E. Bunnell, of this city. This is full payment of my certificate No. 35065, Division V—Class 31, issued to me October 8th, 1915, just ten months ago. I have paid on this certificate the sum of \$18.84 in premiums and now receive this Joint Life Distribution to enjoy while I live.

This money certainly came at a very acceptable time and I consider myself exceedingly fortunate in being able and in having the forethought to carry a certificate in your Order under your most noble plan, and I want you to understand that I truly appreciate the same, and to show my appreciation I am making application for four more certificates of your REAL Life Insurance which a fellow can get while he lives.

I understand that four other certificates holders are also receiving Joint Life Distributions on account of the same death which caused me to receive mine.

Again thanking you, and with best wishes for the Society, I am,

Yours Fraternally,

(Signed) D. F. SCRIMAGER.

N. B.—I wish to say that should any skeptic or any doubtful Brother anywhere not believe that I am a real live man, I shall be glad to have them write me or ask any questions, and you are at liberty to refer any such one to me. I shall ever remain a Booster.

D. F. S.

We think this should convince the most skeptical and shall be glad to have any one interested call for explanation of the plan in full, and to call on Mr. Scrimager if you have any doubt. Claims like this are being paid daily in various parts of our land and country and if you fail to get your money while you live, it will be because you do not carry your insurance with the Heralds of Liberty, or because you die soon.

Always glad to answer questions, and in writing for or calling at our offices you place yourself under no obligations whatever, if we can't convince you we have the best for the LIVING we don't want your business.
